

AQUASTRIPE #2REMOVABLE

WATER BASED **REMOVABLE** FIELD MARKING PAINT FOR NATURAL GRASS, NATURAL TURF.

Priced by the gallon. Packaged in 5-gallon plastic buckets.

AQUASTRIPE #2REM is a special type of field marking paint for natural grass. It is designed to be **easily washed off or removed later**. Use water with a little agitation and this paint that has been applied on the substrate is washed off. **This grade is ready to spray (RTS), no thinning of the paint is needed or recommended.** Being water based it is safe for the user and the environment. It will not harm, kill or brown any type of natural grass. **AQUASTRIPE #2REM** can be used with most air-less or battery-operated machines and will spray crisp, sharp lines. It is packaged in 5-gallon buckets with convenient tear-away lids. **Use this formulation to paint removable temporary lines and team logos on Football, Soccer, Lacrosse natural grass athletic fields.**
