

# TURFDEFENDER-CLEANER 42

## **USDA APPROVED, CLEANER, DEODORIZER FOR SYNTHETIC TURF SPORTS FIELDS.**

Specially formulated cleaner, degreaser, deodorizer that is low foaming, safe for the user, the environment and safe for use on synthetic turf athletic fields. Concentrated, has to be diluted. Even after dilution **CLEANER 42** is very effective and leaves a fresh fragrance on the substrate. It does not contain harsh cleaning chemicals like caustic soda or solvents like butyl cellosolve. **Meets USDA use requirements.**

*Quart bottles, Gallon bottles, Five-gallon buckets.*

**CLEANER 42 is a concentrated degreaser, cleaner, deodorizer,** recommended for use on synthetic turf athletic sports fields. It can be diluted as low as 2 ounces per gallon or (2 parts of Cleaner to 128 parts of water) and still be effective. Dilution with hot water will improve cleaning results and reduce time and effort required. **Contains no harsh chemical like caustic soda or harmful solvents like butyl cellosolve. Safe for use on synthetic turf and meets USDA criteria for use with incidental food contact. CLEANER 42** can be sprayed, brushed or mopped on surfaces to be cleaned. Can be sprayed with a pump sprayer or a ride on sprayer on athletic fields. Allow to soak for a few minutes and rinse thoroughly.
