

TURBOFORCE

SAFE ODORLESS STRIPPER TO REMOVE, DISSOLVE FLOOR FINISH, WAX, POLISH.

TURBOFORCE is a concentrated, odorless, safe, floor wax-polish-sealer-finish remover, stripper that can be diluted with 10 parts of water. **Adjust the dilution to increase or decrease the strength of the solution to either deep clean, partially strip or completely dissolve and remove strip from the floor.** Being odorless, it makes stripping the floor a pleasant, headache-free experience with no stripper odor in clothing or shoes. No neutralizer needed. Not regulated for transportation. Qualifies for LEEDS credit.

- **Specially formulated concentrated floor finish-sealer-wax-polish stripper, with NO ODOR.**
- Easy to use, can be diluted by 20 parts of water and still be effective.
- Low foam, dilutes with water of any temperature, spreads evenly on the floor.
- **Less stripper is needed at each site so transport, packaging, waste costs are minimized.**
- **Headache free, leaves no stripper smell on clothes, shoes or in the room.**
- Use as partial or complete stripper to remove floor wax, floor polish.
- Safe for use on vinyl composite tiles (VCT).
- Qualifies for LEEDS credit. Not regulated for transportation.
